The Complete Cooking Light Cookbook - Goodreads The recipes in this book are really quite good--although having received Cooking Light in this format and also through magazines, I have to say that I like magazines much better. Its almost overwhelming trying to read through this book and come up with recipe ideas for dinner--but I have definitely found a few that I made staples of (a la, cheesy stuffed baked potatoes and 2 bean chili!) I also like pictures. There aren't many pictures. Lord I'm primitive.
