Â» MY DIY | Copper Pipe Cookbook Stand MY DIY | Copper Pipe Cookbook Stand DIY PROJECT, Home DIY. After researching this week's dip post I am all in for making appetizers, but before I put on my chef's hat, I needed a cookbook! and now that I have a cookbook, I clearly needed a DIY stand for it, right?. Obsessed With: NapaStyle's Hand Hammered Copper Cookbook ... My current cookbook stand is far from efficient - constantly collapsing and not having that za za zu factor. Plus - there is nothing warm about it. It has long lived past its "Best By" day. This copper cookbook stand would absolutely correct that situation. After all, one's kitchen is as important as one's shoe closet (or so I keep telling myself. vintage cookbook stand | eBay Find great deals on eBay for vintage cookbook stand. Shop with confidence. Copper Wire Recipe Stand | Oliver Bonas I love this recipe book stand because it holds any recipe book perfectly and is very sturdy. It also obviously looks fantastic and is a good copper colour nice and shiny. This is a good quality product and worth the money. I think it is priced about right. It is also handy as it folds up and can be put away more easily when not in use.
