The Chew: What's for Dinner?: Over 100 Mouthwatering ... I love The Chew TV show. I did not love their cook book because it was more a tribute to the show then a cookbook. For example there were more pictures about cast and audience than food in the book. I wanted to learn how to cook the recipes on the show. I watch a TV therefore I'm a visual person so it isn't a stretch to imagine that I'd want to see pictures of the food in the cookbook, but it took work to actually find pictures of food. Not high praise in my mind for a cookbook.
